STATUS AS FOLLOWS IN ENGLISH LALNGUAGE

Am of the above mentioned particulars. Am employed by the County Government of Bungoma as clerk of Assembly. I was employed in 2014 after secondment by transition authority. Am the C.E.O of the County Assembly of Bungoma.

I wish to state that my duties are coordination of all activities of county assembly. A acknowledge that the file reference CS/CO/VO.I/2020 for assembly committee on Public administration and ICT was delivered to the county assembly of Bungoma and received on 6/7/2020 by my staff Ruth Kubeba.

The file was not brought to my attention and I have only come to see it as the time of recording this statement. Whenever I receive documentation from outside sources after reading I mark to relevant officers for action.

In this particular file I didn't mark. When I want documents from the executive arm of the government as directed by county assembly I do so by writing to the office of the county secretary.

When people want information from county assembly they write to me to request on the same. I have checked Barasa Kundu Nyukuri did not request for this particular file.

Francis Simiyu Tome works as the assembly as principal clerk assistant incharge of committee services.

All communication into and from county assembly is supposed to be done by me or my any other officer as may be authorised by the clerk(me). I did not authorise Francis Tome to call for the documents from executive for this particular issues.

I have also checked for other documents being stamped of county assembly and found to be from my office and they were tabled in the committee they became public documents but CO/VOL.I/1/2020 had not been tabled. My evidence of the order of the chairman of the committee Majimbo Okumu will be supported by the hanzard in our operations whereby I have attached.

That is all i can state.
