Eulogy

Elena Nangekhe Kibanani was born on 20th November, 1958 to the late Mzee John Maindi and the late. Mrs. Rebecca Nasambu Maindi. Elena later popular known as Hellen was the third among among six siblings. One of Elena's sister Felistus Nekesa passed on at a tender age. She has been survived by her four loving siblings Mrs. Elizabeth Nasaba, Ms. Madonna Nasimiyu Dr. Fredrick Mukendi and Mrs. Auleria Nasipwoni and several loving step sisters and brothers.

Elena was baptized at Our Lady Mission, Kibabii, Bungoma then under Kisumu Diocese. She received her First Holy Communion on 17th August, 1967 and was confirmed a day after on 18th August, 1967. She was a lovely God fearing child who was very intelligent, independent minded, caring and responsible. She maintained these enviable qualities throughout her life. Elena had a unique sense of humor too a quality she made good use of in raising her family and in her political endeavors.

Elena went to Chebukwa Primary School and Mateka Primary School. She attended Mary Hill Girls High School and Misikhu Girls High School where she excelled in sports and in all subjects. Elena was particularly gifted in the sciences and in particular Mathematics and Chemistry. Elena went to Lugulu Girls High School for her A levels. She was the joy of her late parents. Elena was a school captain while in High School.

Elena was admitted to Kenyatta University in the Academic Year 1980/1981 to pursue Bachelor of Education in Mathematics and Chemistry. She graduated in 1984 among the top of her class and was immediately employed at Nzoia Sugar Company as a Management Trainee in the Production Department in the Chemist Section. She excelled at her work and was soon appointed to the admirable position of Chief Chemist at Nzoia Sugar Company, a position she held for many years. She worked diligently and served her company with brilliance in this male dominated field. Later on Elena served in various other senior management positions at Nzoia Sugar Company. She was the Agronomy Manager and The Environment Health and Safety Manager, a role which she held till she requested for early retirement in 2016 in order to pursue her political ambitions for which she was very well suited. She was also elected to be Board Chairman of Nzoia Sugar Company Primary school in the academic year 1995.

Elena met her knight in shining armor, H.E. Prof. Charles Kibanani Ngome, a dashing well-spoken ambitious handsome young man in Kenyatta University in the year 1980. Prince Charles Kibanani Ngome was a brilliant student pursuing Bachelor of Education in Sociology, History and Kiswahili. The couple shared a deep interest in campus politics and Elena was keen to support the love of her life in his various political pursuits in campus. The couple dated throughout campus and eventually got married on 7th September, 1985 at Sacred Heart Catholic Church in Eldoret. Elena was daughter in -law to the late Mama Mary Nabututu Ngome and the late Mzee Jotham Ngome.

The couple was blessed with two wonderful children, Sophie Naliaka Kibanani, Financial Accounting Researcher, Strathmore University and Kevin Welamondi Kibanani, K4tography Films. The family also recently welcomed a bouncing baby boy, first and only grandchild to Elena and Charles, Master Ethan Welamond.

Together with her loving husband H.E. Prof. Charles Kibanani Ngome, Elena founded Gateway Junior School, Bukembe in 1998. The pioneers sat for the KCPE Exam in the year 2000 among them was their first born daughter. Over the years the school has produced top candidates in the National Exams and had majority of the students joining top national, provincial (county) schools. Gateway Junior School Alumni are distinguished professionals serving in various fields and

capacities in the country and beyond. Elena was a true mentor and friend to many and a distinguished educationist.

Elena was a passionate and determined business lady. Together with her husband they owned “Subira Matatu” in the public transport sector. She also supplied farm produce to schools and supermarkets among other institutions. She was an astute farmer with experience in large scale sugarcane, maize, beans and green house farming.

Elena had political interest upon quitting her job at Nzoia Sugar Company. She was the Maendeleo Chap Chap women representative candidate in Bungoma County. She ran her campaigns with her usual energy and vigor and gave the incumbent Women Rep a run for her money. She was a great competitor and leader with filled with charisma and confidence.

Elena loved sports. She ran 100 meters races during Nzoia Sugar Company’s end of year party and emerged winner easily. She was also a great volley ball player.

Elena was a truly unique soul who will be greatly missed by both her immediate and distant family and friends. She had a dynamic character and was able to live and enjoy life to the maximum as a God fearing loving wife, a doting mother, a no nonsense business lady, a firm educationist, an intelligent manager, a vocal and influential politician.

Elena passed away peacefully in her sleep on 10th October, 2020 while in the midst of hectic funeral preparations of her dear belated mum Rebecca Nasambu Maindi. Her loving mum had passed away on 3rd October, 2020 after a long illness and was laid to rest on 17th October, 2020. May their souls rest in peace. They were united both in life and in death.

It is with great humility that we have accepted God’s will regarding your life mama. The gap you have left will never be filled. The hope that we will meet you again at God’s own timing is what keeps us going. We loved you mama but God loved you more.

Rest in eternal peace Mama

Dear Mama,

No words can or will ever explain what I feel. Only you can understand the irreplaceable loss I suffer today. My love, this is a wound that will only be healed the day God will chose to reunite me with you my love. I have the consolation that when my time comes to depart from this world my own mama will welcome me in heaven where I pray and believe you are my dearest loveliest mama.

I always thought I was strong. I have learnt you had loaned me strength to face life and with you on the other side now my dear mom, I promise you to live in such a way that you will be proud and happy when we meet again. This is my motivation and my only goal.

I have lost my mom, my greatest cheerleader, my daily companion irrespective of where I was physically, my prayer partner, my role model, my friend and my sister.

All your aspirations will be actualized through me my dear mom. God knew you have done your bit and done it exceedingly well. Now that He has taken you home, He will give us the grace to live out your legacy in all aspects of our lives.

You gave your life generously for us and for the community. You have been a great home maker, a great professional in the sugar industry, a great educationist with an undisputed trail of success, a great farmer and a great politician too. You have liberated me from the worst of prisons for any woman which is lack of freedom to pursue one's personal and professional dreams. I will not let you down my dear mom in how I live out all of the life's lessons you freely and lovingly gave me.

You have gone away before you met your future son in law. I promise you he will be handsome, intelligent and God fearing just as you prayed for and together we will form the family you always wished me to have.

In my heart you will always be present and alive my dear mom.

Rest well my dearest mama. I look forward to see you at God's chosen time.

May God's most loveable and just will be done now and always. Amen

Family tributes

No words can describe the feeling when I realize that you are no more. It's a feeling like no other. No one can really understand the pain of going through life without such an important part of you.

You passed on just too soon. Most times it feels like it was yesterday, since I last saw your warm and bubbly face. I haven't the slightest clue where you could be in the afterlife, but I really wish I could see you again. The only thing I remember is your persistence and fiery attitude. The cruel hand of death has snatched you away from us. We miss you every day. I thank God for you and cherish the memories we had. Will always love you my Sister.....

Madonna Maindi

She was so proud of her family, and that was in her heart to stay, even though she's an angel and has had to fly away, let's remember her love being sent to us from her, from the beautiful Heaven above

Mr George Omoyo

Dear Loving sister,

There is something God has given us, That's more than family. He has placed a love for you my sister, Deep down in my heart. I will forever keep you safe inside my heart. Go well Nangekhe.

Elizabeth Nasaba Maindi.

Tribute to my in-law Hellen. I knew you as a friend while in school. You continued to be a good friend and even took care of my children as your own. I will always be grateful. Rest in Peace.

Margaret

I'm blessed to call you sister, I also call you friend;
You've loved me unconditionally, And stood through thick and thin.
You've shared my joys and sorrows, My laughter and my tears.
You've been my inspiration, As we grew up through the years. When we were little children
We laughed and played together; Then growing up you stood by me,
Through good and stormy weather. I will always have you in my heart my sister.....

Auleria Maindi

It is with a heavy heart that I compose this tribute dedicated to you my elder sister. You have been with me all through and always encouraged me to take on all challenges head on. That attribute has made me to be what I am today. You have touched the lives of many in our family. There was nothing that you wouldn't do for me and nothing that I wouldn't do for you. I will surely miss the little chats we had in my home where you were really comfortable. You would always listen to me even in the wee hours of the morning, I mean who would do that? You would. I am so grateful for the years we had and the closeness that we shared. Your heart, so kind and thoughtful, I always knew you truly cared. You were a wonderful sister. I miss you to no end. More than just my family I have lost a very special friend and being.

Yours truly Dr. Frederick Mukendi Maindi

Family tributes

Even though you are gone, your love will always be here to stay. You touched our hearts with so many things. You ensured the well being of your family members. My life has always bothered you, you took care of me and also ensured that my kid gets good education. You offered me a job. I will miss the days we danced together during the prayerdaymasses at Gateway Academy.

You advocated for honesty and one thing I learnt is that when it comes to business matters, family ties don't matter. You ensured all your nieces and nephews get good education and their success is all attributed to you. It hurts that you had to leave when their success was not at its peak yet. You truly wanted the best for your family. Indeed you were an angel. God knew you were the one to save us. He took you home to grant eternal rest and peace despite we loving you best. Our hearts are filled with so much pain. Your memories will live on through. May perpetual light shine upon your soul yaya.

GOD TOOK AN ANGEL HOME

You were and still are an inspiration to all, with a heart that radiated love and warmth through all our lives. Your company will even regale angels of death and make them smile with your great oratory skills. On the sands of time, you have left your footprints with glory. You were a go-getter that waded through the murky waters. Your level of intelligence, independence, generosity and straight talk without hypocrisy was admirable. You have left a legacy. I thank God for the life we shared with you my bubbly auntie, our family home theatre system..... It's only God that knows who will make us laugh our lungs out!!!!

May God grant you perpetual light and eternal rest.

It is hard to believe that the angels took you home at a time we least expected. You left a hollow no one can ever fill halfway, Iron lady. I admired your intelligence in solving complex issues. I will miss your hardworking nature and braveness. Aunty, I will always miss you.

Those special memories of you will always bring a smile if only I could have you back for just a little while. Then we could sit and talk again just as we used to do you always meant so very much and always will do too. The fact that you're no longer here will always cause me pain but you're forever in my heart until we meet again

Family tributes

Dear Aunt,

It is hard to believe that the angels have carried you home at a time we least expected. What a blessing and privilege to have you as part of our family. You have left a remarkable legacy here on earth, not only with your nuclear and extended family but also the many lives you touched and transformed through education. I don't think I thanked you enough for this. For all the years I have known you, you've inspired me with your go-getter attitude and taught us by example that we should always follow our dreams. All I can say is that I am heart broken, but I take solace in the fact that I know you are in a better place. I'm sure you will light up heaven the way you lit up every room you walked into. Rest in peace.

Tribute to Aunty Hellen

Aunty, you lived your life well, you inspired many people and touched many souls. You overcame the challenges that life threw at you, and as such, created a path to greatness, for all to follow through. But again, what an exit you made; silently, suddenly, without giving life a chance to trouble you with pain. You are a hero, even in death. Your absence here hurts, but I'm at peace knowing that you are in the heavens above watching over us, because that's where angels are.

Aunty, on the sands of time you've left your footprints with glory, everyone will know your name and recall your story. Sleep well Aunty

Helen, a dear friend, a schoolmate and College mate. I have always known you as a fearless, straight talker and honest. No wonder you; always walked with your head up exuding so much confidence. I will surely miss your great cheer and laughter. May the good Lord receive your soul. Rest in the heavenly abode with your maker.

Dr. Caroline Wakoli

Your memories are still very clear in my mind since you were introduced to me. My favorite will always be how hospitable, caring and your life advice that was full of wisdom. I can't remember any time in all our meetings that you referred to me as so and so but my son, your phone call will begin with "my son...." and end with "thank you, my son". What hurts most is that I don't know what you wanted to tell me on your last phone-call that went unanswered. Only to receive the sad news three days later, that you were no more.

Bye-bye Mum I will miss you...till we meet again.....

Goodbye my friend. Indeed when death comes we take stock of our past steps. It only looks only but a few days when we were together in high school and then Kenyatta University. I look back and it just seems like yesterday when we first saw a sausage. We were mesmerised. Things like rolls may look ordinary today but not our days. Where would we have seen them when rice could only be found in big towns like Kakamega and Bungoma. We have had laughter over our naivety. That is how far God has brought us. Academic excellence was taken for granted and Hellen demonstrated it. I will miss her. I met her daughter and saw my friends smile. May her sweet laughter reflect in her daughter. Hellen it is bye. May God rest your soul in peace. Indeed heaven is our home. We are here but just for a while.

Gateway Alumni fraternity tributes

Mama Helen, or Manageress as we all called her at Gateway was a mother to us all. She welcomed me to her home, where for one year I studied and sat KCPE alongside his son, Kevin. I was at home at there with Kevin and Sophie and all their cousins as if I was in my own home. Maybe even more free and comfortable than my own home.

She made me believe in myself, closely monitoring and encouraging my progress, pushing me to performances I don't think I would have done on my own or in other environments. She's left a positive mark in my life, as with many others. You'll be greatly missed, Manageress.

As we look back

As we look back over time, we find our selves wondering.....Did we remember to thank you enough, for all you have done for us? For all the times you were by our sides, to help and support us...To celebrate our successes, to understand our problems and accept our defeats?

Or for teaching us by your example, the value of hard work, good judgement, Courage and inegrity?

We wonder if we ever thanked you, for the sacrifices you made. To let us have the very best? And for the simple things like laughter, smiles and times we shared?

If we have forgotten to show our gratitude enough for all the things you did, we're thanking you now.

And we are hoping you knew all along, how much you meant to us.

Diana Almadi (Attorney KRA) class 2001

A loving and caring mum you were to me. Being around you was the best experience, you mentored me to who I am today and build my confidence. I was your best flower girl since my childhood and adulthood. You entrusted me in your important occasions and ceremonies, you gave me the chance to receive visitors in your school (gateway) and I gave them flowers as you instructed. The pleasure was mine when you took me as a teacher in your school. I had to work hard to make you proud and to raise our school's academic standards. Your passion and strictness towards education was shown in academics and non-academics activities that yielded positive results. This made the school produce best, aggressive and responsible people in the society. You have left a big gap in my heart.

Fare thee well my manageress. Will miss you.

In loving Memory of Hellen Ngome (Manageress)

I learnt of your death with great shock and disbelief. You have left us with great memories that cannot be written off. You were a strict educationist who was so humble, zealous and passionate to young promising souls touching many young lives.

Through your motherly care, you offered us a place to call school and home. Most of us benefitted from a full fee bursary. You opened so many doors in our lives through education.

We are what we are today because of you; you took time to mentor and mould us.

You cherished hard work and always led from the front. Your contributions to education will be greatly remembered. And while we will miss you for the great mentorship and the friend that you were, we're comforted by the knowledge that your accomplishments will endure and continue to exemplify the best in education.

To the family of Hellen, DG Ngome, Sophie and Kevin, be comforted knowing that she is resting in a better place. Kindly accept our heartfelt condolences as the Gateway Jnr Academy Alumni. May she RIP

You can all shed tears that she is gone or you can smile because she has lived. I choose to smile because of you we stand. You impacted my life and the lives of many in Gateway Junior School.

We all choose to do what you would have done by impacting generations and in all this we say you live in us. You can all close your eyes and pray that she comes back or you can open your eyes and see all that she has done and do what she would want done.

I will remember you each day that I live. You were such a good person with so much to give, such a privilege to have known you no one can deny.

I think it might be time to say Goodbye but Goodbye can not be enough.

As we fondly called you manageress, indeed you were a great manager, educationist, role model and mentor. You identified individual strengths and gifts and had the ability to incorporate them into their best form. Thank you my super woman, iron lady for trusting me enough to handle the school's finances in a critical time when the school was just coming up.

In you, I learnt life lessons including; patience, working smart, commitment, planning & coordination of activities, multitasking, the power of education, the strength of a woman and the joy of celebrating every achieved academic milestones.

You raised the bar so high. Rest perfectly well in the arms of the almighty God.
